## **DETAILED ACTION**

### ***Notice to Applicant***

1. This communication is in response to the Request for Continued Examination (RCE) and amendment filed April 3, 2009. Claims 1-24 have been cancelled. Claims 25-31 are newly added.

### ***Examiner's Amendment***

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In line 1 of claim 26, "claim 1" has been changed to --claim 25--;

In line 1 of claim 27, "claim 1" has been changed to --claim 25--;

In line 1 of claim 28, "claim 1" has been changed to --claim 25--;

In line 1 of claim 29, "claim 1" has been changed to --claim 25--;

In line 1 of claim 30, "claim 1" has been changed to --claim 25--; and,

In line 1 of claim 31, "claim 1" has been changed to --claim 25--.

***Allowable Subject Matter***

3. Claims 25-31 are allowed.
4. The following is an examiner's statement of reasons for allowance:

Claim 25 is directed to a method of preparing a customized donor allograft for a predetermined surgical procedure.

The closest prior art of record, Bradbury (US 2002/0007294 A1) and Filho (6,089,867) teach a first business entity receiving predetermined specifications and conditions of a patient to undergo the predetermined surgical procedure, effecting delivery of a customized allograft to the medical provider, delivering surgical instrumentation, and receiving an implant from a tissue bank.

However, the closest prior art of record does not teach or fairly suggest the tissue bank harvesting and sizing at least one of a meniscal and an osteochondral donor allograft according to the predetermined specifications and conditions of the patient and also according to the predetermined surgical procedure to be performed on the patient, *as received from the first business entity*.

Dependent claims 26-31 incorporate the allowable subject matter of independent claim 25, through dependency, and are also allowable for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
